

◆ **UTGCD MISSION:**

The Mission of the Upper Trinity Groundwater Conservation District is to develop rules to provide protection to existing wells, prevent waste, promote conservation, provide a framework that will allow availability and accessibility of groundwater for future generations, protect the quality of the groundwater in the recharge zone of the aquifer, insure that the residents of Montague, Wise, Parker, and Hood Counties maintain local control over their groundwater, and operate the district in a fair and equitable manner for all residents of the District.
