

## **Partial List of Potential Vendors for Compliant Water Meters.**

The following businesses are listed for your convenience;

**The Board does not make any recommendations or endorsements as a result of providing this information and furthermore, this list is not intended to represent all of the possible vendors that may offer compliant meters.**

Anyone wishing to have their business listed with this group, or anyone knowing a business offering compliant meters, need only contact Mike Massey at [mmasseyutgcd@hotmail.com](mailto:mmasseyutgcd@hotmail.com) and he will see that your business is added to this list. The Temporary Rules for Water Wells, located on this website, contain the definition of a compliant meter.
