Persons not able to join the hearing remotely but who wish to comment on a permit application may submit comments or other information via email to the following address: doug@uppertrinitygcd.com. Written comments must be received prior to the Board's decision on the application.

Persons may make comments for or against a permit application without the need to request a contested case hearing on the application. However, persons wanting to protest a permit application by requesting a contested case hearing must do so either in writing or by appearing at the public hearing on the date specified in this notice and opposing the application. Written requests for a contested case hearing must be received by the District on or before the date of the public hearing as it appears on this notice, and before Board action on the application. Written requests for a contested case hearing may be mailed to the District at P.O. Box 1749, Springtown, Texas, 76082, or submitted by email to: doug@uppertrinitygcd.com.

Additional requirements for requesting a contested case hearing on this application, including the information that must be included in such a request, may be found in Appendix E, Rule E.6, of the District Rules: <https://uppertrinitygcd.com/pdf/UTGCD-RULES.pdf>

WORK SESSION

1. Roll Call, a quorum, call Work Session, to order; declare the work session open to the public.
2. Public Comment.
3. CLOSED EXECUTIVE SESSION: The Board will recess into a closed executive session under Section 551.071, Texas Government Code, to consult with the District's legal counsel on the development of proposed amendments to the District Rules. This agenda item is being specifically posted as a closed session for the benefit and convenience of the public because it is anticipated the vast majority of the Work Session will be held in closed session. The Board reserves the right, however, to go into a lawful closed session in the future on any item on any Board agenda without specifically posting that individual agenda item as one designated for closed session, and the public should not develop an expectation that closed session agenda items will be specifically posted as such, as the need for closed sessions often arises unexpectedly.
4. Discuss and consider any item discussed in closed session. No final action will be taken during the Work Session.
5. Adjourn or continue Work Session in whole or in part.
